342 Gymleco Legcurl, Lying

300 series, Selectorized machines

Exercise machine with ergonomic design that thus reduces the load on the lower back while optimizing contact with the muscles on the back of the thigh.

The range of motion is well increased and together with the counterbalanced lever, it provides a strong possibility of contraction at the end of the movement.

Equipped with a full cushion over the calves to make it easier to get in and out of the machine.

- Standard frame color: Black
- Standard cushion color: Black / Red
- Rubber handle for easy entry and exit
- Split cushions for best ergonomics
- Weight block: 80 kg
- Larger weight block (optional)
- Long movement

Lenght	Width	Height	Weight
170 cm	97 cm	149 cm	173,5 kg

No maintenance needs.
